UEI: CGQAKKUJV3X5 | CAGE: 9UY01

WHO WE ARE

Elevated TA is a specialized technical recruiting firm serving Texas public sector agencies and their prime contractors. We recruit and place candidates who join the client's team directly. Founded and led by Shaniqua Brown, President.

CORE COMPETENCIES

- Digital forensics and incident response (DFIR) recruiting
- OSINT and threat intelligence analyst recruiting
- Blockchain financial crimes investigator recruiting
- Data analytics specialist recruiting
- Embedded recruitment management within client project pipelines
- Direct-hire placement: the people we place join the client's team

DIFFERENTIATORS

- Texas public sector focus: state agencies, City of Austin, and their prime contractors
- Embedded delivery: dedicated recruitment managers deploy into your project pipeline to protect timelines
- Deep niche pipelines in high-security, technical fields

PAST PERFORMANCE

- Embedded recruitment management for Chainalysis, supporting advanced cryptocurrency tracing, digital forensics, and investigative intelligence operations
